

## Cancer Research at Bath Symposium 30th September 2009

(P) = Poster presentation

|                           |  |                            |   |
|---------------------------|--|----------------------------|---|
| Sean Smith                | Bath Ventures                            | s.m.smith@bath.ac.uk       | Technology Transfer Manager, Life Sciences    |
| Susan Doshi               | Both UoB and RUH                         | s.k.doshi@bath.ac.uk       | PhD student at UoB / Imaging scientist at RUH |
| Andrew Bosanquet          | Consultant scientist                     | agb.scientist@gmail.com    | Scientist                                     |
| Manuchehr Soleimani (P)   | Dept Electronic & Electrical Engineering | m.soleimani@bath.ac.uk     | Academic                                      |
| Wei Qiu (P)               | Dept Electronic & Electrical Engineering | w.qiu@bath.ac.uk           | Student                                       |
| Pedro Estrela             | Dept Electronic & Electrical Engineering | p.estrela@bath.ac.uk       | Academic                                      |
| Edward Law                | Dept of Biology and Biochemistry         | ewpl20@bath.ac.uk          | Student                                       |
| Dr. Momna Hejmadi (P)     | Dept of Biology and Biochemistry         | bssmvh@bath.ac.uk          | Academic                                      |
| Beverley Murrow           | Dept of Biology and Biochemistry         | bam20@bath.ac.uk           | Student                                       |
| Huijia Wang               | Dept of Biology and Biochemistry         | hwang@alumni.bath.ac.uk    | Research Technician                           |
| Robert Kelsh (P)          | Dept of Biology and Biochemistry         | bssrnk@bath.ac.uk          | Academic                                      |
| Fiona Bangs               | Dept of Biology and Biochemistry         | bs0fkb@bath.ac.uk          | Postdoctoral researcher/Research officer      |
| Andrew Chalmers           | Dept of Biology and Biochemistry         | ac270@bath.ac.uk           | Academic                                      |
| Claire Webb               | Dept of Biology and Biochemistry         | c.webb@bath.ac.uk          | Student                                       |
| Will Wood                 | Dept of Biology and Biochemistry         | w.wood@bath.ac.uk          | Academic                                      |
| Paul Whitley              | Dept of Biology and Biochemistry         | bssprw@bath.ac.uk          | Academic                                      |
| Dr Joseph Dukes           | Dept of Biology and Biochemistry         | bs0jdd@bath.ac.uk          | Postdoctoral researcher/Research officer      |
| Asha Recino               | Dept of Biology and Biochemistry         | A.Recino@bath.ac.uk        | Student                                       |
| Alastair Muir             | Dept of Biology and Biochemistry         | adm25@bath.ac.uk           | Student                                       |
| Thuluz Meza Menchaca      | Dept of Biology and Biochemistry         | tmm21@bath.ac.uk           | Student                                       |
| David Smith               | Dept of Chemical Engineering             | ds262@bath.ac.uk           | Student                                       |
| Sean Rigby                | Dept of Chemical Engineering             | s.p.rigby@bath.ac.uk       | Academic                                      |
| Dr Semali Perera          | Dept of Chemical Engineering             | cessp@bath.ac.uk           | Academic                                      |
| Rory Arrowsmith (P)       | Dept of Chemistry                        | rla24@bath.ac.uk           | Student                                       |
| Zhiyuan (P)               | Dept of Chemistry                        | zh209@bath.ac.uk           | Student                                       |
| Nathan Fairhurst          | Dept of Chemistry                        | n.w.g.fairhurst@bath.ac.uk | Student                                       |
| Andrew Loftus             | Dept of Chemistry                        | all22@bath.ac.uk           | Postdoctoral researcher/Research officer      |
| Laura Fisher              | Dept of Chemistry                        | ch3lf@bath.ac.uk           | Student                                       |
| Yunting Gao               | Dept of Mathematical Sciences            | yg207@bath.ac.uk           | Student                                       |
| Dr. Bogatyrev Nikolay (P) | Dept of Mechanical Engineering           | ensnb@bath.ac.uk           | Postdoctoral researcher/Research officer      |
| Michele Meo               | Dept of Mechanical Engineering           | m.meo@bath.ac.uk           | Academic                                      |
| Lorenzo Caggiano          | Dept of Pharmacy and Pharmacology        | l.caggiano@bath.ac.uk      | Academic                                      |
| Matthew Lloyd (P)         | Dept of Pharmacy and Pharmacology        | M.D.Lloyd@bath.ac.uk       | Academic                                      |

## List of Attendees

|                       |                                       |                                       |   |
|-----------------------|---------------------------------------|---------------------------------------|---|
| Mathew Leese (P)      | Dept of Pharmacy and Pharmacology     | m.p.leese@bath.ac.uk                  | Research Fellow                           |
| Gemma Tunbridge (P)   | Dept of Pharmacy and Pharmacology     | gt215@bath.ac.uk                      | Student                                   |
| Katie Judd (P)        | Dept of Pharmacy and Pharmacology     | kej23@bath.ac.uk                      | Student                                   |
| Richard Graham        | Dept of Pharmacy and Pharmacology     | r.graham@bath.ac.uk                   | Clinician                                 |
| Alex Ciupa            | Dept of Pharmacy and Pharmacology     | alexciupa@hotmail.co.uk               | Student                                   |
| Ian Eggleston (P)     | Dept of Pharmacy and Pharmacology     | ie203@bath.ac.uk                      | Academic                                  |
| Nigel Vicker (P)      | Dept of Pharmacy and Pharmacology     | prsnv@bath.ac.uk                      | Postdoctoral researcher/Research officer  |
| Anne Beauchard        | Dept of Pharmacy and Pharmacology     | ab391@bath.ac.uk                      | Postdoctoral researcher/Research officer  |
| Quan Yang             | Dept of Pharmacy and Pharmacology     | mariey12@hotmail.com                  | Student                                   |
| Dr Gerta Cami-Kobeci  | Dept of Pharmacy and Pharmacology     | chpck@bath.ac.uk                      | Postdoctoral researcher/Research officer  |
| Asma Aroun            | Dept of Pharmacy and Pharmacology     | pr2aa@bath.ac.uk                      | Student                                   |
| Himali Yasmin Godage  | Dept of Pharmacy and Pharmacology     | hg212@bath.ac.uk                      | Postdoctoral researcher/Research officer  |
| Abdelkader Metwally   | Dept of Pharmacy and Pharmacology     | aammm20@bath.ac.uk                    | Student                                   |
| Prof. Mike Threadgill | Dept of Pharmacy and Pharmacology     | m.d.threadgill@bath.ac.uk             | Academic                                  |
| Dr Ian S. Blagbrough  | Dept of Pharmacy and Pharmacology     | prsisb                                | Academic                                  |
| Tom Geyton            | Dept of Physics                       | tg239@bath.ac.uk                      | Student                                   |
| Julie Turner-Cobb (P) | Dept of Psychology                    | pssjmtc@bath.ac.uk                    | Academic                                  |
| Paula Smith           | Dept of Psychology                    | p.c.smith@bath.ac.uk                  | Academic                                  |
| Dr Samantha Cole      | Dept of Psychology                    | sc379@bath.ac.uk                      | Clinician                                 |
| Lucy Hackshaw         | Dept of Social & Policy Sciences      | L.E.Hackshaw@bath.ac.uk               | Student                                   |
| Hannah Joyce          | Development & Alumni Relations        | h.joyce@bath.ac.uk                    | Development Manager                       |
| Gavin Maggs           | Development & Alumni Relations        | g.maggs@bath.ac.uk                    | Fundraiser                                |
| Christopher Jennison  | Faculty of Science                    | C.Jennison@bath.ac.uk                 | Dean of Science                           |
| Natasha Wilson        | Natural sciences                      | njw29@bath.ac.uk                      | Student                                   |
| Alison Evans          | Research Development & Collaborations | adsaje@bath.ac.uk                     | Research Portfolio Manager                |
| Dr Alistair M Taylor  | Royal United Hospital                 | alistair.taylor@ruh-bath.swest.nhs.uk | Research & Development Manager/Researcher |
| Dr Hugh Newman        | Royal United Hospital                 | hugh.newman@ruh-bath.nhs.uk           | Clinician                                 |
| Dr Mike Osborne       | Royal United Hospital                 | mike.osborn@ruh-bath.swest.nhs.uk     |   |
| Tracie Miles          | Royal United Hospital                 | Tracie.Miles@ruh-bath.swest.nhs.uk    |   |
| Anna Gilmore (P)      | School for Health                     | a.gilmore@bath.ac.uk                  | Academic/Research PI                      |
| SU BEI                | School of Management                  | bs267@bath.ac.uk                      | Student                                   |
| Aurelien Putey (P)    | Sterix                                | ap304@bath.ac.uk                      | Postdoctoral researcher/Research officer  |
| Laurence Ede          | Tocris Bioscience                     | lede@tocris.co.uk                     | Industry                                  |
| Prof. Jane Millar     | University of Bath                    | J.I.Millar@bath.ac.uk                 | Pro-Vice-Chancellor (Research)            |
| Katja Haferburg       | University of Bath                    | k.haferburg@bath.ac.uk                | Research Coordinator                      |
