More Advanced Celtic Knots

It is easy to draw much more varied and interesting Celtic knots. Start again with a grid of squares:

The • mark corners in the INTERIOR

1. At each corner, draw either:

   \[ A \quad \text{or} \quad B \quad \text{or} \quad C \]

2. At each top corner or bottom corner draw:

3. For each interior square draw a continuous curve from the \textit{TOP LEFT} to the \textit{BOTTOM RIGHT}

   e.g.

4. For the same squares, draw a broken curve from the \textit{BOTTOM LEFT} to the \textit{TOP RIGHT}

   e.g.

5. Make the \textit{END SQUARES STYLISH.}

6. Colour the knot in.
