

Lions Environmental Poster Competition

The idea is to stimulate young people's interest in the environment and to provide a competition which is stimulating and interesting to them.

The Competition subject is

**LITTER
LITTER IS UNTIDY - LITTER CAN BE DANGEROUS
DON'T BE A "LITTER - BUG" TIDY UP**

Whilst it would be better if Teachers/Group Leaders did not hold a complete lesson devoted to the competition, as we really want to get a wide range of topics, here are a few suggestions that could be used to start the children's' imaginations working - Litter thrown from cars, How long Litter lasts, Effects on animals and fish, How unsightly litter is or even relating to Recycling

The competition will be open to anyone aged between 7 and 16 in 2 age groups from schools and local Youth organisations. Individuals may also enter but will not be eligible for the winning organisation prize.

- 1) 7-10 (key stage 2 years 3,4,5,& 6 in junior school)
- 2) 11-16 (Key stage 3 & 4, years 7,8,9 & 10 in senior school)

There will be two classes:

- 1) A poster using computer aided design
- 2) A poster using paint, crayons or similar as the medium

The size to be A4 (297 x 210mm or 11.7 x 8.3ins) or A3 (420 x 297mm or 16.5 x 11.7ins) Posters must be entirely the work of the nominated child and should be original i.e. they should not have previously been published or entered into other competitions.... They can contain words.

Trowbridge Lions will have the right to use the winning Posters to promote an anti Litter campaign around Trowbridge

The closing date of the competition is 31st December 2014 the subject is
