

COCKERMOUTH  
SCHOOL presents...

# Cumberland Mathematics Conference

27th March, 2007  
The Hundith Hill Hotel

## Programme

Sponsored by

**Cumberland** Building Society | Estate Agents

# Cumberland Ma

## ◆ Progra

### 9.30 am Introductions & Welcome

**Rosie Luchini** .....Assistant Head, **Cockermouth School**

### 9.40 am Andrew Gordon

**Sales Co-ordinator** .....**Cumberland Building Society**

### 10.00 am C1 / C2 Maths Exam Preparation

**David Wilkins** .....**EdExcel Examiner**

Born and educated in Birmingham, David gained a BSc in mathematics at Hull (1967), an MSc in Mathematical Education at Reading (1986). After having been in full-time teaching (Secondary Maths) until 1999, he was appointed Chief Examiner in Pure Mathematics and has been involved in the launch of 'Curriculum 2000.' His role as a Chief Examiner has included participation in regular feedback meetings for teachers, giving the opportunity for direct discussion of issues of concern.

### 11.15 am Coffee / Tea

### 11.45 am Careers in Maths and Computing

**Paul Strickland** .....**Liverpool John Moores University**

Paul is a graduate of Cambridge and Durham, and has worked at Liverpool and Liverpool John Moores University. He is now interested in web-based Learning in Mathematics.

### 1.00 pm Lunch

# ths Conference amme ♦

## 2.00 pm 'Space Shrinking and Time Travelling'

**Katie Chicot** ..... **Open University**

Katie is passionate about bringing the beauty and clarity of mathematics to a broader audience. She has a PhD in mathematics from the University of Leeds and after a year at the Royal Institution, she became a lecturer at the Open University. In her spare time she is, among other things, a keen but hopeless basketball player!

## 2.45 pm Break

## 3.00 pm 'The Maths of Sports Stadiums'

**Paul Shepherd** ..... **Buro Happold**

Paul is a Senior Analyst with the engineering company Buro Happold, which specialises in the design of sports stadiums and other landmark structures. Paul has worked on projects led by some of the world's leading architects including Norman Foster and Richard Rogers, and his design software has won several awards.

## 3.45 pm **Stuart Reeves**

**Acting Headteacher** ..... **Cockermouth School**

## 4.00 pm Close

# Our grateful thanks go to...
