

**Speakers:** Ilaria Bussoli (University of Bath)

**Date:** 10/10/2023 at 13:15 in 4 West 1.1

**Title:** From research to teaching stats - a small journey

**Abstract:**

The talk will start with a brief introduction about myself, where I will highlight the research done during my PhD years in graphical models applied to omics data. I will then discuss what brought me to change direction and move towards a teaching focused career, concluding with the pedagogical ongoing projects I am following.
