

Bridging the Gaps – Technologies for Healthy Living and Wellbeing

Clinicians/ Academic Networking Event at the RUH

- wine, food and informal networking
- wall of expertise stating participants' expertise and ideas for collaborations
- hands-on demonstrations of health and wellbeing-related technologies

**Royal United Hospital
12 January 2009
5pm – 8pm**

This event marks the start of a stronger collaboration between both parties. Clinicians from other hospitals are very welcome to participate.

All participants are kindly asked to provide information on their interests or research expertise and on expertise sought or ideas for future projects.

Programme details will be available nearer the time.

To **register**, please contact Katja Haferburg at k.haferburg@bath.ac.uk by **12 December 2008** stating

- name, job title, contact details
- your expertise – what you offer
- what expertise you are looking for
- if you would like to display a poster, provide title
- information on the gadget/ technology if you would like to showcase

Fostering the partnership between the Royal United Hospital and the University of Bath
