The Plan of the University of Bath above will give you an idea of how the campus is laid out. The campus is compact, with many of the buildings inter-connecting. It is built around a main Parade which forms a central spine with Norwood House at the east end and Wessex House at the west end. The Library and Learning Centre is the University's central hub and all buildings are identified according to their east/west position in relation to it. Odd numbers in building names indicate that they are located on the northern side of the Parade, on the same side as the Library, and even numbers are on the southern side. The University has five floors or 'levels'. The main pedestrian Parade is Level 2.

## Car Parking

Car Parking at the University is limited. East car park has pay and display facilities for visitors. East car park provides disabled access to the Parade and a drop off point by 1WN also provides wheelchair access to The Parade.

## Key:

- Car Parks
- Information Point
- Uni Connect (blue buses - U18, 20 A/C and SpaLink services) and First Somerset & Avon Buses (bright orange bus - 18, 410 and 418).
